**SPECIAL NOTICE**

**TO: ALL COMPANIES DOING BUSINESS WITH THE STATE  
MINERAL BOARD**

**FROM: JOHN P. EVANS, JR.  
SURVEY MANAGER**

**DATE: AUGUST 10, 1999**

A description and plat for Tract No. 32062 was inadvertently placed in the Notice of Publication that was mailed from the Office of Mineral Resources. The Notice of Publication is an informal notice and not the official advertisement of tracts to be included in a State Mineral Lease Sale.

The description of Tract No. 32062 did not advertise in any Parish Journal or the Official State Journal.

Therefore, Tract No. 32062 is not included in the September 8, 1999 Mineral Lease Sale and bids will not be accepted for Tract No. 32062.
